

REBELLIOUS TEMPRANILLO 2019

Harvested: 19th February 2019
GI: 100% Swan Valley Estate Tempranillo

WINEMAKING NOTES

The fruit for this wine was hand-picked, stored cold in a sea container overnight before processing the following day. The fruit was crushed to an open fermenter containing 20% whole bunches. Whole bunches were used in the ferment for complexing aromatics and tanning profile. The fruit received a three day cold soak before being inoculated with Clos yeast and spending 14 days on skins. This wine spent minimal time in oak with the aim of keeping the wine bright and fresh in tank with subtle oak influence.

Alc. 13.2% alc.
Blend 85.1% Tempranillo, 14.9% Shiraz
GI 100% Swan Valley
pH: 3.70
Acidity: 6.4

TASTING NOTES

A fruit driven, medium bodied red with black cherry aromatics, Turkish delight mid palate and a long lingering finish. A contemporary, elegant and well-structured wine.

FOOD MATCHES

Serve slighted chilled. Pairs particularly well with grilled chicken, white fish and salads.
