### GRENACHE 2018

Harvested 17th April 2018

#### WINEMAKING NOTES

This multi-regional Grenache was sourced from Latitude 34 Vineyard in Mayanup, in the Blackwood Valley region and the RiverBank Estate Vineyard in the Swan Valley.

Destemmed to a small batch open fermenter, drained off 200lt/tonne of juice to concentrate the juice to skins ratio, nine days fermenting on skins with twice daily pump overs and hand plunging, pressed to second use French and American oak hogsheads for twelve months maturation. This is a minimal intervention wine so some natural tartrate sedimentation may occur!

**Alc.** 13.6% alc.

**Blend** 85% Grenache, 15% Shiraz

**GI** 55% Blackwood Valley, 50% Swan Valley, 5% Donnybrook

**pH:**

**Acidity:**

#### TASTING NOTES

A lifted aromatic nose of crushed black fruits, briary blackberries, red liquorice strap and menthol. The fleshy generous mid palate is supported by a splash of Shiraz.
